

COUNTRYSIDE e-LEARNING: THIRD GRADE

Schoology

Check out your class math Schoology Page. Your teacher has linked several math activities that are related to what we are working on currently.

Complete at least one IXL and one Xtra math

Basic Facts

Use a deck of cards. Take out all of the face cards (King, Queen, Jack) and play the following:

- Addition top-it
- Subtraction top-it
- Multiplication top-it

Art

Look outside your window. Draw a picture of what you see. You should include lots of details. Color your picture and bring it back to class to show your teacher.

Journal It!

What did you do on your snow day?

Write 5 sentences
And be prepared to share.

INDEPENDANT READER

Read on your own for 20-30 minutes and share with an adult

5 SENSES WRITING

Think about your day and how you experienced the day using your five senses: taste, touch, sight, smell, hearing. Write about your senses in a poem, list, or story.

RECORD IT!

Check the temperature at three different times during the day.

Describe what happened and why.

Read Aloud Challenge

Find someone to read aloud to for at least 10 minutes. What did you read and why?

MEASURE IT!

Get ONE CUP of snow and bring it inside.

How long does it take to melt? How much water is left?
