

COUNTRYSIDE e-LEARNING: FIFTH GRADE

WRITE ABOUT IT

What did you do on your snow day? Write a paragraph (5-8 sentences) that describes your day.

INDEPENDENT READER

Read on your own for 20-30 minutes and share with an adult.

READ TO ME!

Have an adult or sibling read a story to you.

MEASURE IT!

Get ONE CUP of snow and bring it inside. How long does it take to melt? How much water is left?

SPREAD KINDNESS

Do a random act of kindness. Who could use some love in your life. Can you create a card for them? Bake cookies and deliver them to their doorstep? Facetime with a grandparent? Create artwork to give to a special adult in your life to show them how much they mean to you?

SNOWMAN WRITING

Write a story about what happens to your snowman when kids are not around. What does your snowman/woman do? What happens while kids are asleep? Be sure to check your spelling and grammar when done. You can publish your story with illustrations. .

MATH FUN!

Find dice or cards. Create a game that uses addition, subtraction, multiplication, or division. Be prepared to share the rules with the class.

STEM CHALLENGE

Create your own science experiment, draw a picture, and tell what happened.

MATH PRACTICE

Create 20 multiplication or division flash cards.
