Health Services

May 13, 2019

The end of the year is just around the corner. In keeping with the district medication administration policy, all student medications are returned at the end of the school year. The health office is not allowed to keep or dispose of a student's medications. We will package your child's medication in a Ziploc bag that will be sent home in their back pack on the last day of school.

If you would like to make other arrangements for medication pickup, please contact the health office regarding pickup of unused medication.

**BE SURE TO CHECK YOUR CHILD'S BACK PACK FOR RETURNED
MEDICATION ON JUNE 4th – THE LAST DAY OF SCHOOL**

Have a great summer and thanks for your help,
