FIRST NAME \_\_\_\_\_ LAST NAME \_\_\_\_\_

I PLAN TO WALK AT LEAST \_\_\_\_\_ LAPS

Dear Potential Sponsor,

I hope you will consider helping me this year for an important project! I am participating in Countryside's Fall Celebration: The Wacky Tacky Walk-A-Thon. All proceeds will help us begin our fundraising efforts for our service project in February – Countryside Day of Service. You can sponsor me for an amount per lap, name a maximum amount or you can make a direct donation. After the Walk-A-Thon you will be told how many laps I walked/jogged or ran. At that time you can send in your donation.

***Pleased make checks payable to Countryside PTO. Thank you!***

**NEW THIS YEAR!** In an effort to make fundraising even easier, we now have an online platform for pledge collection. Simply visit [www.thegetmovincrew.com](http://www.thegetmovincrew.com), scroll part way down and click on the **star** that says, “Register Your Child,” and help your student set up their page. It’s a very quick to set up and an easy way to collect donations for our school online! You’ll be able to help your child share a link by email and various social media platforms if you choose.
