## Summer, Fall Registration now open!

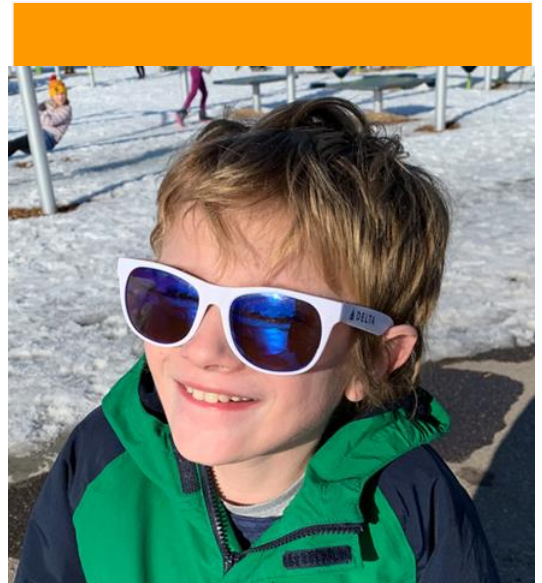

Online registration and information for KIDS Club's 2020 summer and 20-21 school year programs is available on our website [here](#).

Edina Community Education is also offering a wide variety of fun classes and camps this summer for ages Pre-K to grade 12! [Download a copy of the summer catalog here](#) to check out the amazing choices being offered.

## Toys from Home

This year students have been allowed to bring a toy from home to enjoy at KIDS Club/WISE Guys, which they really enjoy. We have had some problems, however, with students bringing toys into class during the school day which disrupts learning time. Please remind your child that toys must stay in their backpack during the school day. We want to be able to continue this fun privilege!
