Seniors and Juniors may apply for the open campus release privilege. Given limited lunch period time, students are urged to eat in the school cafeteria each day. However, the open campus privilege is made available to Seniors and Juniors who apply for it and who are able to abide by the expectations associated with the open campus release privilege. Seniors and Juniors participating in open campus release are responsible for knowing and understanding the guidelines associated with it that are outlined in detail in the Student-Parent Handbook.

Rules for the open lunch and flex block release privilege:

1. Your student ID must have a designated sticker indicating you have been approved for Open Campus Release. You can pick up your sticker when you turn in this signed form.
2. Demonstrate excellence in academics, attendance, and behavior.
3. Students that transport freshmen, sophomores, juniors or seniors without open campus privileges may lose their right to leave campus and their parking permit.
4. Students should eat lunch before returning to school. Food and beverages will not be allowed back in school.
5. Respect the school; do not litter or loiter in the building or on the surrounding grounds.
6. Behave in a respectful and courteous manner within the community.
- 7. Seniors and Juniors must have this form on file and have a designated sticker on student ID before participating in open campus.**
8. Be safe. Drive safely.

Once this form is turned in, and you have received your open campus sticker, you are eligible for open campus privileges.

The open campus release privilege may be revoked for failure to abide by these rules. Normal attendance policies will be enforced. Seniors and Juniors are not entitled to the open campus release privilege; it is a privilege that may be revoked at any time for failure to follow the rules established above.

Student Agreement:

I have read and understand the rules listed above. I agree to abide by these rules.
