**Input Form for Student Placement**  
**Edina High School**  
2019-20

Student Name \_\_\_\_\_ Student ID # \_\_\_\_\_

Each spring, Edina High School students register for classes for the upcoming year. Based on student registration data, the school administration determines the number of courses/sections offered, staff needed, and develops a master schedule for the school. It is our goal to have balanced classes across each grade level and subject. We consider many factors as we try to stabilize our classes and accommodate individual needs such as gender balance, emotional/social combinations, balance of performance levels, special learning needs, and behavioral factors. Although **teacher requests are not considered**, if you have specific information about your child that should be taken into consideration, please complete this form.

**Please consider sharing academic interests and abilities, emotional and behavioral development, e.g., social awareness or interpersonal skills, and any additional information you think would help us plan for your child.**
