

UPDATE FAMILY CONTACT INFORMATION

Edina Public Schools is pleased to provide you a helpful and easy way to access important information about your child through our EdinaApps Portal and update your current contact information so it is ready for the 2018-19 school year.

Log in to the Portal at <http://portal.edinaschools.org> with your username and password. Select the Campus icon and then select “My Info Update” in the lower left corner. My Info Update is available each spring (May-June)and fall (Aug.-Sept.) for families to:

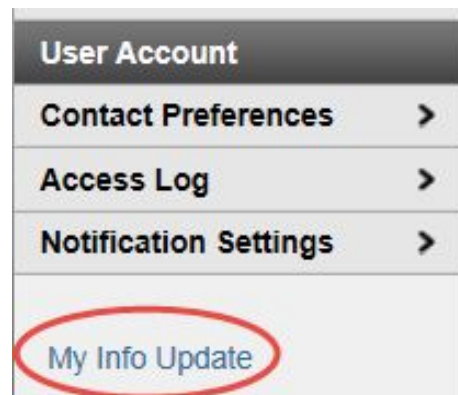

- Update household contact information (such as phone number, email and home address)
- Update Health Information
- Complete required forms and documents online

Updating your information in My Info Update will ensure that you receive proper services and important communications by U.S. mail, phone, email or text. The 2018 spring My Info Update period will remain open until June 9.

What you need to do
