

## Is Your 5th Grader Heading to Middle School?

Know what Edina Community Education has to offer!

### **Middle School Mornings** | *Reliable care before school. 1-5 days per week.*

Offered before school at both Valley View and South View Middle Schools from 7:45 am - 9:00 am, our Middle School Mornings program allows active minds to stick around the school Media Commons for quiet activities, while active bodies can choose to hit the gym (or go outside on beautiful days) for exercise or a pick-up game.

At 9:00 am, when the first buses arrive, students will be dismissed from Middle School Mornings and the schools will be open for all students, allowing ample preparation time for the 9:20 am start time. [Register for 2019-20 Middle School Mornings here.](#)
