

The Zone

Concord KIDS Club

2016-2017

This year we will once again be offering Zone time after school for kids to work on their homework. Kids will get a chance to run off some energy outside and enjoy snack before heading back to the music room for Zone. This is a self-directed homework opportunity from 4:10-5:00 each day. A staff will be available to help with questions, but kids will be expected to do their homework on their own! We will remind kids what days they are enrolled in ZONE, but greatly appreciate your support at home in regards to this after school opportunity! Please fill out the form below if you want your child to do homework or read for a certain amount of time or day(s) throughout the week (excluding Fridays).

PLEASE FILL OUT THE INFORMATION BELOW, AND
