

## PLAYING BASEBALL THE EDINA WAY

### Who We Are. What We Do.

1. We Play Baseball to the very best of our abilities. We Play to Win as a Team.
2. We Practice like we Play. We utilize drills and resources to master fundamentals and simulate full speed and pressured game situations to build confidence.
3. We teach players to learn the game themselves to develop baseball awareness in all situations. We have a passion for the game and it's history.
4. A Winner's Attitude built from Hard Work, Team Work and Aggressiveness permeates everything we do. We Have Fun Competing All Out.
5. We take pride in playing first and foremost fundamentally sound defense, and an offense built on aggressiveness and pressure.
6. Players arrive at least 20 minutes before the start of practice in uniform, and are stretched and arms are warm when Practice starts. Practice starts ON TIME.
7. Expectations are clear. We are Accountable for our actions. The Team is bigger than the individual.
8. Players RUN on and off the field. We Always hustle. Players are ready, alert, athletic, and thinking before each pitch.
9. We strive to develop our full potential, both on and off the field. We are role models in the community.
10. We chatter, pick each other up and have fun competing and playing baseball the right way. We do not chirp at the opposition or the ump. We play Fair and with Good Sportsmanship. We know that we represent our School, our Community, our Teammates, our Coaches, Ourselves, and our Families.

*"We are what we repeatedly do. Excellence, therefore, is not an act but a habit." ~ Aristotle*
