SUM-302 Mon Jul 20 –Thu Jul 23 9:00-11:00am

For students entering 3rd-6th grades WARNING: This course contains intense projects using LEGO® bricks and is not intended for the faint at heart. {YEL!} has unearthed rare projects, designed using LEGO® bricks: A ping-pong launcher; A High-Velocity LEGO® brick Dispenser; A Candy Coated Catapult and more. Students will work in pairs to build a different project each day. They will use those projects to investigate basic engineering concepts and to compete in kid-friendly contests with classmates. NOTE to PARENTS: These projects are safe. Don't let the title rattle you. It is a fun, "high-velocity" course. See YouthEnrichmentLeague.com for more details.

In Person: Edina Volleyball Camp: Girls & Boys: Gr. 7-9

SUM-127 Mon Jul 20 –Thu Jul 23 3:30-5:00pm

The Edina Volleyball Camp will develop volleyball skills in players of all abilities and experience. Our goal is to give players a fun and positive learning experience as they meet new people and grow their abilities. Throughout the week, athletes will work on each core skill (passing, serving, hitting, blocking, and setting) through drills, activities, and games. Drills and activities are broken down into their basic components, paying great attention to detail and technique. We make sure to personalize and modify drills to fit ability so all players are challenged. All participants will get coach attention, game and team experience, high school technique instruction, and a camp t-shirt (adult sizes).
