

# MEET MRS. ANDERSON

## 2020-2021

### ABOUT ME:

Hi! My name is Lynn Anderson and I absolutely love teaching Kindergarten and making connections with families! This is my 34th year in the district and probably one of the most challenging due to the Covid 19 pandemic. Let's take this school year one day at a time and learn together how we can help your child learn and grow in this crazy and unpredictable time. I have a degree in Early Childhood Education from the University of Wisconsin-Stout and received my Birth to Grade 3 certification from Crown College. I live in Shakopee with my husband, Todd. We are parents of 2 sons (age 31 and 26) and are grandparents, too! Carly (10) and Corbyn (15 months) help us stay young! I can't wait to meet you and your kindergartner!

### CONTACT ME:

Since we are partners during this magical kindergarten year you can always let me know if you have a question or concern. Just message me in  or email me. I will do the same!
