

GETTING TO KNOW YOUR 4th GRADER

Student Name _____

We'd like this school year to be the best your child has ever had. The more we know about your child and family, the easier it is for us to help meet his/her needs. The questions below are talking points we've found helpful in the past. Please fill this out and bring it to Open House or send it back to school with your child the first week. We are really looking forward to getting to know you and your child!

The Fourth Grade Team

1. Who else lives in your household: adults, siblings, grandparents, pets?
2. What does your child love to do?
3. What are your child's major strengths?
4. What was hard about third grade? How does your child feel about starting fourth grade?
5. What are your child's interests and activities outside of school?
6. Have there been any family events or changes in the past year? How did they affect your child?
7. How does your child feel about independent reading? What types of books does your child enjoy?
8. Is there anything else you would like us to know?

Thank you so much for your time and thoughtfulness!
