

RELIEF MAP RECIPE

Mix together the following ingredients until smooth and **PLIABLE**:

*(If the dough seems really sticky and/or runny, add more flour—keep adding it until it is **PLIABLE**; the relief maps are hard to make if the dough is too gritty and/or sticky.)*

- 2 Cups of salt
- 2 to 3 cups (or more) of flour (See note above!)
- 1 Cup of water
- Optional (just for fun while you're making it):
