

Please help me get to know your child!

As your child's teacher, I'd like this school year to be extremely successful. That's why I am asking for your help. I have found that the more I know about my students, the easier it is for me to help meet their individual needs. For that reason, I would appreciate it if you could take time to answer the questions below. Of course, this is completely voluntary. If you do not feel comfortable answering a question, just skip it. Thank you so much for your time!
