### Student Teacher and Teacher Intern Supervision

#### I. Purpose

This policy defines and supports the student teacher and teacher intern programs in Edina Public Schools.

#### II. General Statement of Policy

The school district is committed to advancing the future of educators by participating in student teaching and teacher internship programs with cooperating colleges, universities and technical schools. The district's teachers are encouraged to serve in a supervisory role for future educators. District teachers will remain accountable for the learning, assessment and grading that occurs in the classroom when a student teacher or teacher intern is present.

#### III. Definitions

"Student teacher" is defined as a teacher trainee, an observer or an intern. Student teachers are those who have completed at least two years of an approved teacher preparation program. The director of teaching and learning, principal, and teachers involved will determine the number of trainees to be placed in the schools at any one time.

#### IV. Cooperative Agreements

- A. Colleges, universities and technical schools are required to regularly renew their district cooperative agreement (Appendix II) for student teaching and teacher internship supervision with Edina Public Schools. The director of teaching and learning will bring such agreements to the school board for action.
- B. The director of teaching and learning will ensure the agreement requirements are met and give district approval for the mutual agreements with the college, university or technical school.
- C. For the school district to participate in a cooperative agreement, the postsecondary institution's teacher preparation program must meet the standards established by the State of Minnesota. Exceptions to this requirement maybe considered based on the recommendation of the Minnesota Department of Education.
- D. Requests from postsecondary institutions are processed through the department of teaching and learning. The district will follow all terms of the cooperative's agreement that do not conflict with district policies.

## V. Other Teacher Preparation Experiences in the Schools

### A. Approval of Other Experiences

The building administrator may approve other classroom experiences with postsecondary institutions' teacher education programs for other teacher preparation opportunities in the classroom. These experiences may include, but are not limited to:

- Classroom observation;
- Instructional support;
- Field experiences; or
- Supervision support

### B. Teacher Supervision

The district supervising teacher who is participating in other classroom experiences is responsible at all times for the supervision of the classroom and has the responsibility to advise and guide the student from the postsecondary institution. The student from the postsecondary institution should not be left alone to supervise students. The district teacher is responsible for all learning, assessment and grading that occurs in the classroom.

Appendix II to Policy 430  
**MUTUAL AGREEMENT FOR STUDENT TEACHING**  
**BETWEEN**  
**COLLEGE/UNIVERSITY**  
**EDUCATION DEPARTMENT**  
**CITY, STATE**  
**AND**  
**EDINA PUBLIC SCHOOLS**  
**20XX-20XX**

This agreement is entered into between Edina Public Schools, Edina, Minnesota (the “District”) and COLLEGE/UNIVERSITY, CITY, STATE (the “College/University”). The purpose of this Agreement is to outline the terms of the training/student teaching experience for the student of the College/University and to identify the responsibilities of the College/University and the District.

The following conditions are made a part of the agreement:

**(College/University) agrees to:**

1. Place at the District only student teachers who are eligible for such placement under state and College/University rules, and School Board regulations. All student teacher placements will be initiated through and approved by the District through its department of teaching and learning.
2. Inform its faculty and students of the District’s policies and regulations that relate to the placement at the District.
3. Pay to the cooperating teacher of the District an amount not to exceed \$250.00 for each student teacher placed.
4. Provide regular student teaching supervision by a qualified designee(s) of the College/University.
5. Cooperate with the District in the development and implementation of the District’s Student Teaching Program.
6. Ensure that all student teachers placed at the District complete a criminal background check, at the expense of the student teacher, prior to the student teacher beginning at the District, a copy of which must be given to the District for its records.
7. Inform its faculty and students who will be participating in the learning experience program that they are encouraged to carry their own health insurance.
8. Notify the District in the event a student teacher placed at the District is no longer enrolled in the College/University’s program.

**The District agrees that:**

1. It will supply to the student teacher so placed by College/University an opportunity to work in a teaching-learning situation under the supervision of a practicing teacher who holds a continuing license and has at least three years total teaching experience.
2. It will cooperate with College/University in the development and implementation of the District's Student Teaching Program.
3. It will provide appropriate supervision of the student teacher while at the District pursuant to rules promulgated by its board. Such rules may not conflict with any minimum requirements established by the State or College/University with regard to the Student Teaching Program.
4. It will immediately notify College/University if there is a change in the licensure status of any cooperating teacher providing supervision to any student teacher assigned hereunder.
5. It will not replace any of its employees nor fill any vacancies normally filled by an employee with a student teacher assigned under this agreement. Therefore, a student teacher will not act as a substitute teacher.
6. It will provide the College/University with copies of all policies and regulations applicable to student teachers.
7. It will provide emergency medical care to the student teacher or College/University faculty member, at the District (if available) in case of injury or illness, or obtain other appropriate treatment as they choose. Any hospital or medical costs arising from such injury or illness will be the sole responsibility of the College/University faculty member or student teacher who received the treatment and not the District.
8. It will reserve the right to deny a student teaching opportunity to an applicant and to terminate a student teaching assignment at any time, due to a lack of funding or for any other reason.
9. It recognizes that it is the policy of both the District and the College/University to prohibit discrimination and ensure equal opportunities in its educational programs, activities, and all aspects of employment for all individuals regardless of race, color, creed, religion, gender, national origin, sexual orientation, veteran's status, marital status, age, disability, status with regard to public assistance, or inclusion in any group or class against which discrimination is prohibited by federal, state, or local laws and regulations. The District agrees to adhere to this policy in implementing this agreement.

**Liability:**

Each party agrees that it will be responsible for its own acts and the results thereof to the extent authorized by law and will not be responsible for the acts of the other party and the results thereof. The College/University's liability will be governed by the Minnesota Tort Claims Act, Minnesota Statutes 3.736, and by this Agreement or any other laws applicable to the College/University.

**Term of Agreement:**

This agreement will commence on July 1, 20XX and end on June 30, 20XX. This Agreement may be terminated by either party at any time upon 60 days' written notice to the other party. Termination by the District will not automatically become effective with respect to students then participating in the learning experience program, and said students may be allowed to continue at the sole option of the District.

**General Provisions:**

1. Neither the District nor the College/University will assign or transfer any rights or obligations under this agreement without the prior written consent of the other party.
2. Any amendments to this agreement will be in writing and signed by authorized representatives from each party.
3. The parties agree that in fulfilling the duties of this agreement, they are responsible for complying with the Americans with Disabilities Act, 42 U.S.C. Chapter 12101, et seq., and any regulations promulgated by the Act.
4. The State of Minnesota has laws (the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13 (the "MGDPA")) that classify the College/University's written and electronic information as public, private, or confidential. Except as otherwise provided in law or College/University policy, data on students is private and may not be shared with any other party. If the District receives a request from a third party for any data provided to the District by the College/University, the District agrees to immediately notify the College/University. The parties additionally acknowledge that the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g and 34 C.F.R. § 99, apply to the use and disclosure of education records that are created or maintained under this agreement.
