Educational Competencies, Academic Standards and Instructional Curriculum

I. Purpose

This policy defines the school district's educational competencies, instructional curriculum and academic standards, including state and federal educational requirements.

II. General Statement of Policy

The school district is committed to providing a comprehensive educational experience for students that is defined by educational competencies and academic standards and implemented through an aligned instructional curriculum for early childhood through grade 12. The district will deliver the standards and curriculum at identified grade levels through classes and/or courses.

III. Definitions

- A. "Academic standards" mean a state-prescribed or locally-adapted set of content standards that the district must offer and certify for a student to be eligible to receive a high school diploma.
- B. "Curriculum" means an instructional area of study for early childhood through grade 12 that is required to meet the academic standards of the State of Minnesota or the school district.
- C. "Educational competencies" means the articulated skills and literacies that learners need to have social, emotional, academic and professional success in a rapidly changing, global world.

IV. Educational Competencies

- A. The school district places a high value on the holistic view of the learner. The view is responsive to the district's mission, which seeks to "prepare all students for a rapidly changing, culturally diverse, global society."

These competencies are intended to help guide a learner along his/her educational journey, striving to become:

- A Globally Competent Individual;
- A Responsible, Engaged Citizen;
- An Effective Communicator and Collaborator;
- An Innovative Thinker and Creator;

- A Motivated Lifelong Learner; and
- A Healthy, Well-Rounded Person.

B. The educational competency descriptors are located in Appendix I.

C. The district administration will be responsible for embedding the educational competencies into the learning experience and curriculum. This will include using the competencies as a framework for:

- Professional learning
- Curriculum development with courses and at grade levels
- Student assessment
- Staff evaluation

V. Academic Standards and Instructional Curriculum

A. The Director of Teaching and Learning will be responsible for the implementation of the school district's academic standards and instructional curriculum.

B. The district will have defined academic standards, a comprehensive instructional curriculum, and common summative assessments for the following content areas:

- science
- reading and language arts
- social studies
- math
- physical education
- health
- business education
- science/technology/engineering
- media literacy
- world languages
- family and consumer sciences
- visual and performing arts

C. Each curricular content area will have a guide that will include:

- mission
- grade-appropriate standards
- curriculum materials
- resource materials
- common assessments
- differentiation and personalization suggestions
- media

- D. Each curricular content area will be reviewed and revised on a cyclical basis as per Policy 603 (Curriculum and Program Development and Review).
- E. The academic standards and instructional curriculum will align with those established by the Minnesota Department of Education or by local adoption as provided in statute.
- F. The elementary schools will offer the following:
- visual and performing arts
 - integrated language arts
 - math
 - physical education
 - science/health
 - social studies
- G. The middle schools will offer the following:
- visual and performing arts
 - integrated language arts
 - math
 - music
 - physical education
 - science/health
 - social studies
 - technology education
 - world languages
 - family and consumer sciences
- H. The high school will require 43 credits for graduation. Refer to Policy 613, Graduation Requirements.
- I. The school board will approve all academic standards and instructional curriculum revisions.
- J. The district will provide professional learning opportunities to advance staff members' knowledge, skills and abilities in effectively delivering the standards, competencies, and curriculum through instruction.
